PARENTS, WE NEED YOUR HELP:

- ◆ It is imperative that parents/guardians **remain in the lobby** during their child's swim lesson.
- ◆ **ALL children** accompanying you must be **under your strict supervision at all times.** Children are not permitted to run through the lobby, up and down the stairs, nor are they allowed in the racquetball courts or exercise areas. **Children are not allowed downstairs unless they are in a swim class.**
- ◆ To ensure a safe environment for all, Health Place provides childcare for siblings of Learn to Swim participants under the age of 10 years old. Reservation required for 12 months & under 770-793-7317.
- ◆ Children ages 5 years and older are required to use the locker room of his or her gender. If you must accompany your child and they are of the opposite sex, you must use the unisex restrooms by the upstairs aerobic room.
