## Mind/Body

**Beginning Hatha Yoga:** Hatha Yoga is the most widely practiced form of yoga in America. Learn the basic principles of Hatha Yoga, the poses with clear instructions and emphasis on correct alignment to build a strong foundation for a lifelong practice. Yoga helps restore range of motion, improve circulation, reduce pain, increase strength, and balance while clearing and calming your mind. Let's get started!

**Dynamic Vinyasa Flow:** An intermediate to advanced class, recommended for those with prior yoga experience and who are physically active. It is an energetic form of vinyasa flow based on the Ashtanga Yoga tradition, designed to improve overall strength, fluidity, cardiovascular conditioning, focus, and balance. Some postures will be repeated or held longer to help strengthen your core and generate heat. Challenge your body and your mind!

**Flex & Stretch:** A yoga-inspired stretch class to release tight muscles, reduce pain from injuries and relieve stress from the body and mind. Breath work, stretching and guided relaxation will rejuvenate your body and increase range of motion and improve your posture.

**Gentle Yoga & Yoga Stretch:** A slow paced gentle, yoga-inspired class to relieve tension and stress from the body and mind. Experience a variety of yoga postures that will stretch and strengthen muscles and tissues and increase range of motion. Breathing techniques and guided meditation are used relax the nervous system. All postures are on the mat; no standing poses.

**Group Centergy:** Group Centergy will grow you longer and stronger with an invigorating 60-minute mind-body workout. It incorporates yoga and Pilates fundamentals with athletic training for balance, mobility, flexibility, and the core. Emotive music drives the experience as you breathe and sweat through this full-body fitness journey. *REDEFINE YOURSELF!*

**Pilates / Power Pilates:** Develop core strength, flexibility and awareness as you strengthen mind, body and spirit!

**Beginning Tai Chi / Tai Chi / Tai Chi II:** Tai Chi is a mind-body practice that has its roots in ancient China. It is designed to cultivate the body's vital energy (known as "chi") and improve the flow of this energy through the body. Through movement, meditation, and breath, participants learn how to enhance and increase this energy and direct its flow. Gentle, graceful, repeated movements, sometimes known as "moving meditations" are the crux of this class.

**Slow Vinyasa Flow:** This is an intermediate level of yoga characterized by a continuous, progressive sequence of poses linked together by the breath, paced slowly enough to focus on correct alignment and form. Integrating the principles of Iyengar Yoga (alignment) with Ashtanga Yoga (dynamic) you will be sure to build strength, fluidity and focus while improving cardiovascular conditioning. Prior Yoga experience is recommended.

**Yin/Yang Fusion Flow:** Appropriate for beginners to experienced, this class combines seated and standing poses, breath work and meditation. Yin yoga includes deep stretches to increase flexibility and improve circulation in the joints. Yang yoga includes moving from one pose to the next to energize and warm the body, building strength and balance. Beginners will safely learn the basics and modifications while more experienced students can take the postures to deeper levels. Great for after a long, busy day or week!

**Yin Yoga (all levels):** Bring balance to your workout through deep stretching to gain muscle flexibility and mobility in the joints. Poses will be held for extended periods of time while relaxing and allowing gravity to release the connective tissue resulting in greater muscle movement and range of motion in the joints.

## Specialty
